**National Seminar
on**

“Indian Knowledge Traditions : Multidisciplinary Perspectives for a Sustainable Future”

📅 Dates: 1-2 November 2025

📍 Mode: Hybrid (Online)

“Secure Your Seat — Register Here.”

About the Seminar

The Indian Knowledge Systems (IKS) represent centuries of wisdom shaping India's philosophy, literature, arts, medicine, mathematics, law, commerce, and governance. Rooted in holistic thought, they emphasize harmony between humanity, society, and nature, offering sustainable models for progress. This national seminar provides a platform for scholars, researchers, and students to explore the relevance of IKS in addressing contemporary challenges such as inclusive education, ethical governance, innovation, and environmental sustainability. By adopting a multidisciplinary approach, the seminar seeks to reaffirm the value of IKS and inspire future generations to preserve, reinterpret, and apply them for building a sustainable and equitable future.

Organizing Committee

Patron
Jalad Agrawal
(Chairman)
Smt. Mohan Kaur College Of Law

Coordinators
Mr. Ankit Singh
Mr. Kanwar Singh
(Managing Editor)

Convener
Dr. Jyoti Verma
(Chief- Editor)
