EDITORIAL BOARD MEMBER PROFILE

Name:

Dr. Atul Sharma

Designation:

Assistant Professor, Department of Computer Science & Engineering
University Institute of Engineering and Technology (UIET)
Kurukshetra University, Kurukshetra, Haryana, India
Email: atulsharma2204@gmail.com
Nationality: Indian

Academic Qualification (Highest):

M.Tech. in Computer Science & Engineering – DCRUST Murthal (75.24%)

Professional Summary:

Dr. Atul Sharma is an academician and researcher with extensive experience in Wireless Networks, Delay Tolerant Networks, IoT, Cloud Computing and Big Data. His work includes multiple IEEE and Springer publications, high-impact research in routing protocols and network optimization, and active contribution to conferences, workshops and technical training programs.

Teaching & Academic Experience:

• Assistant Professor, UIET, Kurukshetra University (2015–Present)
• Assistant Professor, UIET (2014–2015)
• Assistant Professor, JMIT, Radaur (2011–2012)

Research Publications:

• 25+ publications in IEEE, Springer, Scopus-indexed and UGC journals
• Research areas: DTN Routing, IoT Security, Genetic Algorithms, Cloud Computing, VANET, Big Data

Workshops, Conferences & Technical Activities:

• Organized TEQIP-II programs on Cloud Computing, IoT & Research Tools (2015–2017)
• Attended 20+ FDPs, national & international conferences (IEEE, ERCICA, ICRITO, SMARTTECH)

Reviewer & Committee Roles:

• Reviewer for multiple Scopus-indexed International Conferences (NGCT, WCASET, ICCCPE, ICGCET)
• Session Chair, IEEE Conferences (ICRITO 2018, AICAI 2019)

Technical Skills:

C, C++, Java, Android, Python, MATLAB, ONE Simulator, SQL, Windows & Linux

Areas of Expertise:

Wireless Networks • Delay Tolerant Networks • Cloud Computing • Big Data • IoT • Network Simulation • Routing Protocols • Algorithm Optimization
